

What to read next?

Need help choosing your next book – it couldn't be easier!

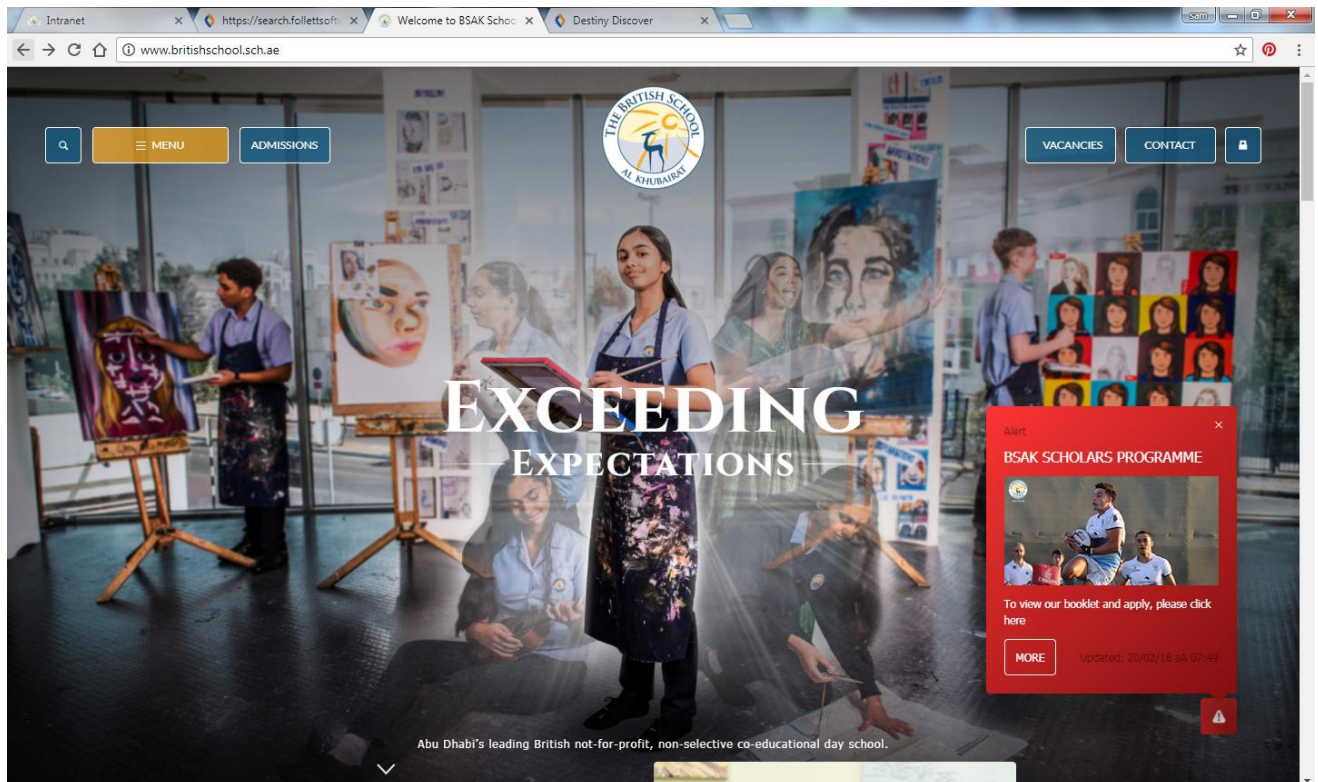

Want to know if a book is on AR – Check out the British and American AR book finder websites – Links are below. Simply type in the name of the book and it will tell you if there is a quiz, the book level and Quiz number etc.

Outside of school if you want to plan and choose your next AR book from the BSAK Library this is the way to do it.

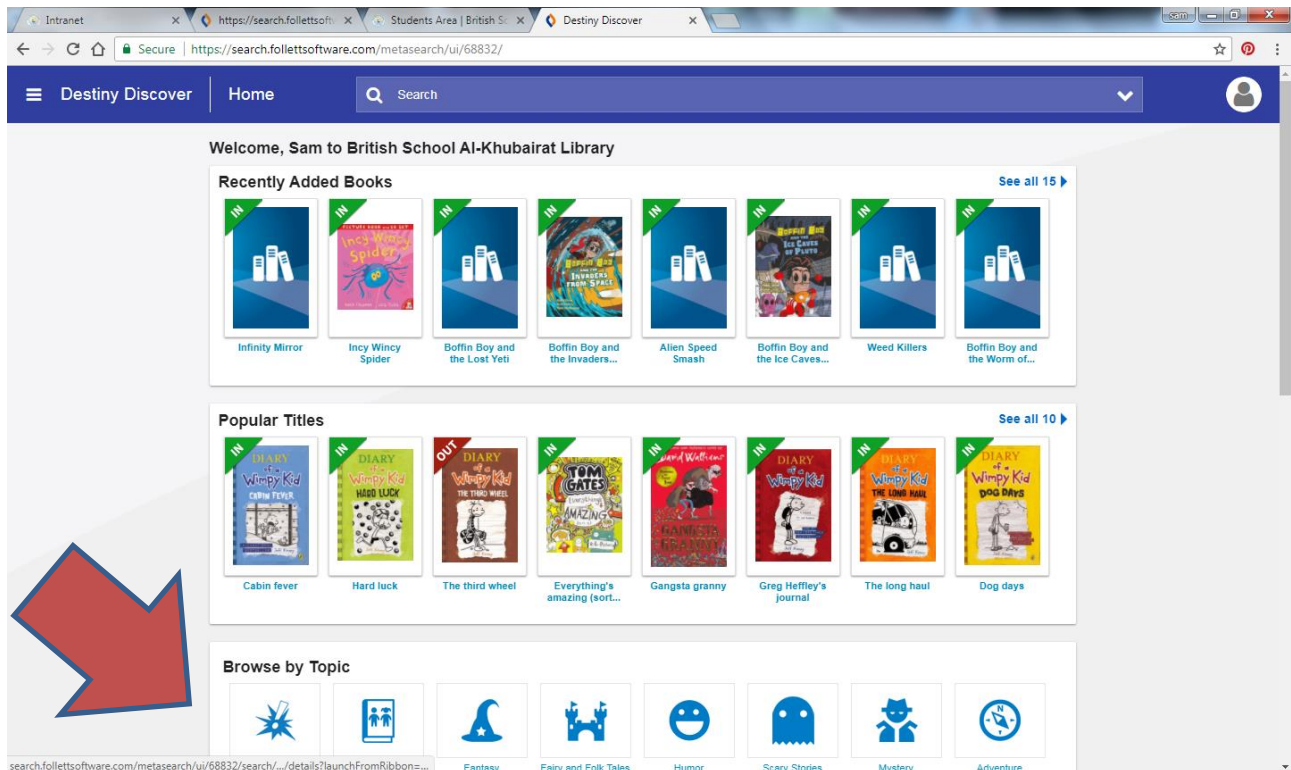

1. Go to BSAK website – we suggest using google chrome.

2. Click on menu and choose secure area and then click on Primary Library – parents can access the library through their portal too!

3. Destiny Discover will open up and you log in using your usual username/password that you use for accessing all the computers at BSAK.

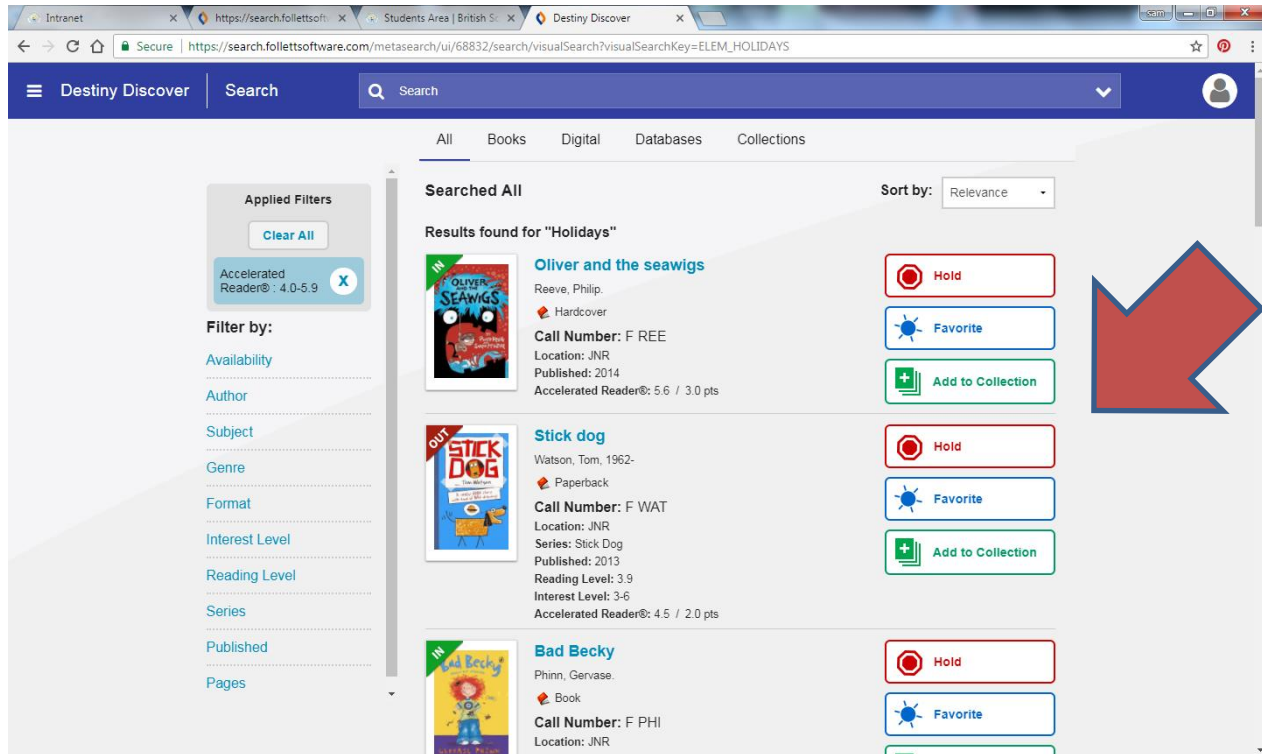

4. Pick a topic and click on the icon

The screenshot shows the Destiny Discover search interface. The search bar at the top contains the text "Holidays". The left sidebar has a "Filter by:" section with various options: Availability, Author, Subject, Genre, Format, Accelerated Reader®, Interest Level, Reading Level, Series, Published, and Pages. A large red arrow points to the "Interest Level" filter. The main content area shows "Searched All" results for "Holidays". Under the "Books" section, there are five book covers: "A Christmas carol", "The Christmas Nutcracker", "Dear Santa", "Grace at Christmas", and "How Santa really works". A green circular icon with a white arrow is overlaid on the "Dear Santa" book cover. Below the books, there is a "Databases" section with a "WebPath Express" icon. At the bottom, there is a "Collections" section.

5. Choose your level and it will bring up a selection of books that are either available and you can take out or reserve.
