Maths Linked to WR	Objectives	<p><u>Geometry- Properties of Shapes and Angles (summer block 2)</u> Identify 3D shapes, including cubes and other cuboids, from 2D representations. Use the properties of rectangles to deduce related facts and find missing lengths and angles. Distinguish between regular and irregular polygons based on reasoning about equal sides and angles. Know angles are measured in degrees: estimate and compare acute, obtuse and reflex angles. Draw given angles, and measure them in degrees. measure them in degrees (o) Identify: angles at a point and one whole turn (total 360o), angles at a point on a straight line and 1/2 a turn (total 180o) other multiples of 90o</p>			<p><u>Number: Decimals</u> <u>Solve problems</u> (Summer block 1) involving number up to three decimal places.</p> <p>Multiply and divide whole numbers and those involving decimals by 10, 100 and 1000.</p> <p>Use all four operations to solve problems involving measure [for example, length, mass, volume, money] using decimal notation, including scaling.</p>	Consolidation week - of previous topics	<p>Assessment period GL</p> <p><u>Number: Decimals</u> <u>Solve problems</u> involving number up to three decimal places.</p> <p>Multiply and divide whole numbers and those involving decimals by 10, 100 and 1000.</p> <p>Use all four operations to solve problems involving measure [for example, length, mass, volume, money] using decimal notation, including scaling.</p>
	Small Steps	<p>Measure angles in degrees Measure with a protractor (1) Measure with a protractor (2) Draw lines and angles accurately Calculate angles on a straight line Calculate angles around a point Calculate lengths and angles in shapes Regular and irregular polygons Reasoning about 3D shapes</p>			<p>Subtract decimals within 1 Complements to 100 Add decimals – cross the whole Add numbers with the same number of decimal places Subtract numbers with the same</p>		<p>Subtract decimals within 1 Complements to 100 Add decimals – cross the whole Add numbers with the same number of decimal places Subtract numbers with the same</p>
