I can ask questions to improve my understanding.

### **Mastery Targets:**

I choose to read widely for pleasure and for different purposes and do so outside lesson time because I want to.

I can express my own ideas about a text, supporting my ideas with evidence from the text and explaining why the evidence justifies my opinion.

I can compare texts by the same writer, drawing out the similarities and differences and compare and evaluate different books.

I make use of effective scanning and text marking to aid succinct summaries of key ideas so that information is identified.
